Defendant.	)	Judge: Honorable JOHN A. MENDEZ
	)	

On November 15, 2019, this Court issued an order directing the Office of the Federal Defender to file a supplement or other appropriate response to defendant's pro se motion to reduce sentence under the First Step Act no later than December 20, 2019. For the reasons set forth below, counsel requests an extension of the deadline to March 20, 2020.

The undersigned is the attorney responsible for assisting defendants convicted in the Eastern District of California seeking sentence reductions pursuant to Section 404 of the First Step Act. Defendant Troy Donahue Barron was one of three co-defendants charged in 1996 in a 15-count indictment. Following an eight-day trial, the defendants were convicted and Troy Barron was sentenced to life imprisonment. The government and defense are taking a coordinated approach to resolving, where possible, reductions of sentences under the First Step Act. On November 13, 2019, the government informed the undersigned that it declined to stipulate to relief under the First Step Act.

1 Since that time, the undersigned has requested Mr. Barron's records from the U.S.  
2 Bureau of Prisons, and is awaiting their receipt. Accordingly, in light of the extremely  
3 lengthy record, and the need to obtain and review Mr. Barron's record and meet with Mr.  
4 Barron in person, the undersigned respectfully requests an extension until March 20,  
5 2020, to file a supplement or other appropriate response to defendant's pro se motion.  
6 Counsel for the government, Assistant U.S. Attorney Jason Hitt, graciously indicated he  
7 has no objection to this request. A proposed order is lodged herewith.
